

March 25, 2010

Dear _____

It is my pleasure to represent the Rainy River & District Chamber of Commerce and extend a personal invitation to attend our monthly meetings.

Meetings are announced on our website: www.rainyriver.ca click on Chamber button and go to our membership and benefits page. There you will find important information concerning our district. Membership forms, chamber newsletters and much more are available for your interest.

Our main goal is to rebuild relationships with area businesses, service clubs and organizations in order that we might jointly tackle our depressed economy.

Membership gives your business the presence, the vote and the right to be represented by the Rainy River & District Chamber of Commerce. The Chamber supports our business community and the events that take place within our area. Your business will benefit from the advertising, promotion and visible Chamber support with the area during events such as Trade Show, Railroad Daze, Canada Day, the Walleye Tournament, ball tournaments and much more.

Download the membership form from the website and mail the accompanied address. Please call 807-852-3704 at any time.

Sincerely
Don Ricci, President
